Samuel Gompers, Judge E. H. Gary and Governor Marshall in Steel Trust Fight

INDIANAPOLIS, Ind., April 8.—Governor Marshall has the briefs and a score of sworn statements furnished him by Samuel Gompers that peonage exists in the great mill of the United States Steel corporation at Gary, Ind. The governor has been asked to dissolve the charter of the steel company on the ground that it has been violated. The American Federation of Labor has been collecting data against the company for more than a year, and the attorneys for Gompers declare that they will shatter the romance that has existed around Gary. The steel company claims that Gary is the model city of the country and built more than 1,000 homes, which it sold to the employees. Mr. Gompers claims that these houses are really owned by the company and are rented to only high class labor, while many of the poor class of laborers are forced to sleep in small rooms, as high as twenty-five men being stretched out on the floor of a room that has but one window. Mr. Gompers also charges the company with owning the saloons and doing a liquor business as well as making steel rails. Governor Marshall has the answer of the steel company to all the charges and promises an investigation with his answer within the next two weeks.

all the musical organizations of the valley will take part. It will be made a picnic affair.

SOLD GOATS AND KEPT THE MONEY

Such Is Charge Against W. Jones in Complaint of W. R. Hogan

Charged with having embezzled the sum of \$780.80, the proceeds of the sale of 341 goats, W. R. Jones was arraigned before Judge Hinson Thomas yesterday, on a complaint filed by W. R. Hogan.

Hogan claims that a short time ago he delivered to Jones a herd of goats, to be delivered to the Pioneer market, instructing him to either deposit the proceeds of the sale in the bank to his credit or to leave the money with Max Bonne, proprietor of the market. He claims that instead of following his instructions, Jones appropriated the money to his own use.

Jones, on the other hand, claims that Hogan was indebted to him for more than the proceeds from the sale of the goats and that he had permission to retain the money as part payment of the indebtedness.

Jones was admitted to bail in the sum of \$500, which he will probably furnish.

Committees Named for Coming Year

The Presbyterian Ladies' Aid society met Thursday afternoon with Mrs. H. P. Cory. A large number were present and much interest was taken in the discussion of plans for the new fiscal year just beginning.

Hereafter the nominal price of ten cents will be charged at each regular meeting to cover cost of refreshments. Twelve committees, one for each month in the year, to take charge of sales and other entertainments, were agreed upon, and the executive committee with Mrs. Cory added, was directed to appoint the committees and assign to each its month of service.

A "Calendar Supper" to be held just before the holidays was proposed, but action was postponed until the next meeting of the society. Refreshments were served by the hostesses, Mesdames Cory and Corbett. Mrs. Dr. J. L. Wales was welcomed as a new member. The next meeting will be held at the residence of Mr. and Mrs. C. A. Carden.

Local Meat Cutters Forced to Discontinue System of Giving Credit

Globe, Ariz., March 31, 1910. To whom it may concern:

The local ranges have totally failed to produce beef and have never produced pork enough for local consumption. Every article in the local meat markets must be imported to the city and must be paid for at time of purchase. Therefore we are unable to continue our present credit system.

On and after the April pay day, 1910, we will be compelled to sell strictly for cash to everybody alike. Thanking our patrons for their liberal patronage under the old system and hoping for a continuance under the new.

Waiting doesn't pay. If you neglect the aching back, urinary troubles, diabetes, surely follow.

Doan's Kidney Pills relieve backache. Cure every kidney ill. Many people in this locality recommend Doan's Kidney Pills.

Here's one case: Mrs. J. Hurst, 501 W. Washington street, Phoenix, Ariz., says: "I had a constant, dull ache in the small of my back for a long time and while it was not severe, it was bad enough to make me miserable. I often went to bed with a backache and got up in the morning with the misery still clinging to me. There was also a weakness across my loins that made it difficult to stoop, and if I did bend over, I became very dizzy. The kidney secretions were too frequent in passage, causing me much annoyance and I was bothered by a swelling of my limbs, in fact, my whole system was run down. About a year ago I procured a supply of Doan's Kidney Pills at the Adams Pharmacy and the use of two boxes disposed of the backache and all fault with my kidneys. I cannot say too much in praise of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-McMunn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

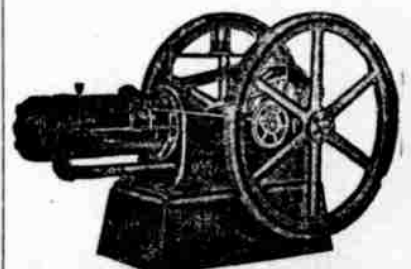

Send some of the Special Mining Editions of the Silver Belt to your friends abroad. A few left at the low price of 25 cents each.
